Subject Index

Accident prevention, in elderly persons, 202
Acyclovir, oral, recommendations for, 126
Addictive behavior, and management of relapses during therapy, 210
Adolescents with special needs, care for, 187
Advance directives for health care, self-determined, 10. *See also* Self-determined advance directives
Aging
  and caring for Chinese elderly patients, 2
  health promotion and disease prevention in, 195
Alcoholism, in elderly persons, 202
Anti-inflammatory drugs, nonsteroidal, review of, 8
Anticoagulants
  in acquired hypercoagulable states, 79
  dermatologic complications of, 83, 93
  dosage changes for, 113
  factors affecting control of, 95
  indications and contraindications for, 86
  in inherited hypercoagulable states, 83
  practical considerations in, 105
  in pregnancy, 114
Antithrombin III, 66
  inherited deficiency of, 82
Aspirin, in prevention of cardiovascular and cerebrovascular disease, 58
Asthma, chronic, therapy for, 192

Bacterial vaginosis, 130
Berry, Wendy, care for adolescents with special needs, 187
Blood vessels, in hemostasis regulation, 62
Breast implants, litigation on, 189

Cancer
  screening of elderly persons, 205
  spontaneous remission of, 228
  thromboembolic disorders in, 72
Candidiasis, vulvovaginal, 135
Cardiology, pediatric, 52
Cardiovascular disease, aspirin in prevention of, 58
Cerebrovascular disease
  aspirin in prevention of, 58
  in elderly persons, 205
Chemoprophylaxis, for elderly persons, 199
Children
  care for adolescents with special needs, 187
  consent for treatment of, 4, 54
  practicing in pediatric cardiology, 52
  prepubertal vulvovaginitis, 149
Chinese elderly patients, caring for, 2
Cholesterol levels, in elderly persons, 205
Coagulation, 62
  acquired hypercoagulable states, 72
  inherited hypercoagulable states, 82
Condom use, promotion of, 177
Consent for treatment of minors, legal issues in, 4, 54
Coolidge, Carolyn, caring for Chinese elderly patients, 2
Coronary artery disease, preventive measures in, 204
Counseling
  on advance medical directives, 25
  for elderly persons, 201
Cytolytic vaginosis, 145

Dementia, in elderly persons, 207
Dental care, for elderly persons, 203
Depression
  assessment of, 220
  in elderly persons, 207
Dermatologic disorders
  from anticoagulants, 83, 93
  prevention with sunscreens, 199
  vulvar, 155
Diabetes mellitus
  in elderly persons, 207
  thromboembolic disorders in, 76
Diet
  affecting anticoagulant therapy, 100
  and nutrition for elderly persons, 202
Drug interactions, in anticoagulant therapy, 95
Dyspareunia, in vulvar vestibulitis syndrome, 161
